LEVEL II STUDIES (W.S. 41-2-114) – DAMS & RESERVOIRS

Cheyenne Municipal Storage Phase I: Proposed budget: \$329,250.
Contact: Tony Rutherford.

REQUIRED SUBMITTALS AND SUPPLEMENTAL INFORMATION:

Prospective consultants and sub-consultants who have not submitted a **Statement of Qualification (SOQ)** to the Wyoming Water Development Commission since May 1, 2017, must submit two (2) paper copies of a SOQ consisting of a letter of transmittal and a completed standard form 254. **An email address MUST be provided for distribution of RFP's and correspondence, see box #4 on form 254.**

Firms or individuals wishing to be considered as prime consultants must submit three (3) copies of a **Statement of Interest (SOI)**, consisting of a letter of transmittal and a standard form 255 **for each project** the consultant is interested in pursuing. Copies of **UPDATED** standard forms 254 and 255 may be accessed on the WWDC website at http://wwdc.state.wy.us/consultants/consultant_selection.html or by contacting the WWDO directly.

*****You may now choose to submit your 254/255 electronically, instead of a hard copy, in a COMBINED pdf format to katie.talbott@wyo.gov. If you choose to submit electronically PLEASE submit a complete package for EACH project, including 254s for prime and sub-consultants as well as your 255. Please send a separate email for each project you're submitting materials for along with contact information including email, phone number and primary office location doing the work.*****

Consultants requested to prepare proposals will be selected by the WWDC, as per W.S. 9-2-1031, using information contained in the SOQ of the prime consultant and any sub-consultants, and the SOI of the prime consultant. **Firms offering professional engineering services must provide their Board issued Wyoming license number.**

Presently, the WWDC is seeking authorization for these projects from the 2018 Legislature. If authorization is not granted, the selection process will be discontinued.

The SOQ and SOI, **via email or mail**, must be received by the WWDC no later than **2:00 p.m. on February 6, 2018**. This notice may be accessed on the WWDC website at <http://wwdc.state.wy.us>.

Submit SOQ's and SOI's to:
Katie Talbott
Wyoming Water Development Office
