Professional Services No. 0808

The State of Wyoming, Water Development Commission (WWDC), is seeking professional services to perform water resources studies in accordance with W.S. 9-2-1030. The projects for which the services are sought are listed by study level. The WWDC, at its sole discretion, may request the selected consultant to provide additional services for Level I or Level II studies.

LEVEL II STUDIES (W.S. 41-2-114) – NEW DEVELOPMENT

Lake DeSmet/Healy Reservoir Utilization Study: Contact: Andrew Linch.

REQUIRED SUBMITTALS AND SUPPLEMENTAL INFORMATION:

*****You may now choose to submit your 254/255 electronically, instead of a hard copy, in a COMBINED pdf format to katie.talbott@wyo.gov. If you choose to submit electronically PLEASE submit a complete package for EACH project, including 254s for prime and sub-consultants as well as your 255 in a single combined PDF. Please send a separate email for each project you're submitting materials for along with contact information including email, phone number and primary office location doing the work.*****

If you choose to submit via mail, please provide two (2) copies each of your 254 and 255 as well as any 254s of sub-consultants. Please submit separate documents on each project for which you would like to be considered. Copies of forms 254 and 255 may be accessed on the WWDC website at:

http://wwdc.state.wy.us/consultants/consultant_selection.html

An email address MUST be provided for distribution of RFP's and correspondence, see box #4 on form 254.

Consultants requested to prepare technical and cost proposals will be selected by the WWDC, as per W.S. 9-2-1031, using information contained in the SOQ of the prime consultant and any sub-consultants, and the SOI of the prime consultant. **Firms offering professional engineering services must provide their Board issued Wyoming license number.**

The WWDC will be seeking authorization for these projects from the 2019 Legislature. If authorization is not granted, the selection-contract process will be discontinued.

The SOQ and SOI, **via email or mail**, must be received by the WWDC no later than **2:00 p.m. on July 17, 2018**. This notice may be accessed on the WWDC website at <http://wwdc.state.wy.us>.

Submit SOQ's and SOI's to:
