

**WYOMING WATER DEVELOPMENT OFFICE
2010
IRRIGATION DISTRICT/CANAL COMPANY SURVEY**

Mailing Information

1. Name of Entity _____
2. Type of entity (district, company, association, etc.) _____
3. **Contact Information**
 Contact Person _____
 Address _____ Phone _____
 City/Town _____ State _____ Zip Code _____ County _____
 Email _____

Irrigation Water Source, Surface

1. Surface Water Source name(s) (ditch, reservoir, stream) _____
 2. Water Right Permit #s _____
 3. Name of reservoir(s) with storage account _____
 4. Amount of storage owned in acre feet _____
 5. Type of Diversion: (dam, headgate, pump, other) _____
 6. Capacity of diversion in cfs _____
 7. Type of main conveyance (ditch, lined ditch, pipe, etc.) _____
 8. Capacity of main conveyance (cfs) _____
 9. If the capacity of the main conveyance is variable, what is the range (cfs)(circle one)
 0-10 10-50 50-100 100-500 500-1000 1000+
 10. Total miles of conveyance maintained by the entity (excludes ditches serving only one user) _____
-

Groundwater Sources

1. Total number of wells serving more than one user _____
2. Total production capacity in gpm of wells serving more than one user _____
3. Average depth of wells _____
4. Name of formation in which wells are completed _____

Service Area

1. Number of acres within district/company boundaries _____
2. Total number of acres irrigated _____
3. Crop types grown (estimated acreage)

Crop Type	Acres

4. Number of individual operators/water users _____
5. Do you provide water through your system to another, separate entity? _____
6. Regarding #4, who, and how much water? (cfs or acre-feet) _____

Financial

1. How are users assessed for water and what is the assessment? (Annual assessment by shares, per acre, by water amount?) _____
2. What is the approximate annual budget for your entity? _____
3. Do you have a source of income other than assessments on water users? _____
If yes, how much per year? _____
4. How many employees do you have? Full time _____ Seasonal _____
5. Do you have existing debt? _____ Amount of Debt _____ Date of debt retirement _____

Operational Issues

1. Does the operation of your system provide significant wildlife habitat benefits? Please describe.

2. Does the operation of your system result in return flows upon which other users are dependent? Please describe. _____
3. Can you estimate the post diversion conveyance losses in your system? _____ %
4. Do you have a board of directors? _____
5. How are operational decisions made for your entity? (Membership meetings, board of directors, mail votes, etc.) _____
6. Do you have water conservation measures in place? Please describe.

Problems

1. Please provide a prioritized list of the major problems, if any, facing your irrigation district or company. These include needed improvements, inadequate water source, state and federal requirements, unwritten easements, maintenance through subdivisions, legal problems, subdivided land, water rights, assessments, etc.

2. What are your anticipated system improvement needs

3. What are your anticipated system maintenance needs

Assistance

Are you familiar with the grant and loan program for agricultural projects administered through the Wyoming Water Development Commission? ____ Would you like information sent to you? _____

Would you like a Wyoming Water Development Office representative to attend a board or membership meeting to explain the program? _____
