REQUIRED SUBMITTALS AND SUPPLEMENTAL INFORMATION:

Prospective consultants and sub-consultants wishing to be considered for any of the listed projects shall submit **Statements of Qualification** (SOQ) – 254 forms, **Statements of Interest** (SOI) – 255 forms, and **Wyoming Resident Firm Certification** forms (if applicable) to the Water Development Commission.

Firms offering "professional services" and claiming "resident firm" status as defined by Wyoming Statute § 9-23-102 shall submit for each project of interest a Wyoming Resident Firm Certification form. The form certifies that the firm is legally registered and in good standing with the Wyoming Secretary of State's Office; possesses a physical office residing withinthe State of Wyoming staffed by qualified individuals with professional and technical expertise who are employed in the state; and if the firm is selected for the project, it will ensure that the applicable percentage of the contract costs for professional services, as set forth in Wyoming Statute § 9-23-102(a)(vi)(B), shall be performed by individuals or consultants who are employed in the State of Wyoming, who will perform their labor or professional services provided under the contract within the boundaries of the State of Wyoming, and who shall possess the professional and technical qualifications necessary to perform the work required by the contract.

*****254/255/Resident Firm Certification forms must be submitted electronically, in a COMBINED PDF format to katie.goodell@wyo.gov. PLEASE submit a complete package for EACH project, including 254s for prime and sub-consultants as well as your 255 and Resident Firm Certification (if applicable) in a single combined PDF. Please send a separate email for each project you're submitting materials for along with contact information including email, phone number and primary office location doing the work.*****

An email address MUST be provided for distribution of RFP's and correspondence, see box #4 on form 254. Firms offering professional engineering services must provide their Board issued Wyoming license number.

Copies of forms 254 and 255, along with the Wyoming Resident Firm Certification form may be accessed on the WWDC website at:
http://wwdc.state.wy.us/consultants/consultant_selection.html

Consultants will be selected by the WWDC to prepare proposals, as per W.S. 9-23-104, and W.S. 9-23-105 using information contained in the SOQ of the prime consultant and any sub-consultants, the SOI of the prime consultant, and the Wyoming Resident Firm Certification form (if applicable). Additional information about the consultant short listing process may be found on the WWDC website.

The WWDC will be seeking authorization for these projects (excluding Instream Flow Hydrologic Studies) from the 2027 Legislature. If authorization is not granted, the selection/contracting process will be discontinued.

The SOQ, SOI, and Wyoming Resident Firm Certification (if applicable), **via email**, must be received by the WWDC no later than **1:00 p.m. on June 12, 2026**. This notice may be accessed on the WWDC website at http://wwdc.state.wy.us
